INTRODUCTION

Our College was established in the year 1996 with a motto to provide quality technical education to the rural students and up-lift them from their poor economic status in the society.

VISION

To be a center of excellence by providing relevant skill based education to serve as a valuable resource to the industry and society.

MISSION

- To impart relevant quality education in a conducive technological and professional environment.
- To impart personality development and entrepreneurial skills to the students to help them achieve excellence.
- To facilitate effective interaction among the faculty members, students and the industry to achieve excellence in teaching, learning.
- To develop faculty and resource through training programmes and organizing seminars.
- To impart ethical values the growth of the individual and the society.

COURSES OFFERED

The Polytechnic offers three-year Diploma program.

SL. NO.	PROGRAMMES	INTAKE
1	DIPLOMA IN CIVIL ENGINEERING	60+ 3(SNQ)
2	DIPLOMA IN ELECTRONICS AND COMMUNICATION ENGINEERING	60+ 3(SNQ)
3	DIPLOMA IN COMPUTER SCIENCE AND ENGINEERING	60+ 3(SNQ)
4	DIPLOMA IN COMMERCIAL PRACTICE (ENG /KAN)	60+ 3(SNQ)

NSS/SPORTS

NSS has been introduced in the year 2002 in our Institution. With the motto "NOT ME BUT YOU". This develops the personality of students through Community service.

Sports activities are conducted under the guidance of a trained faculty, who coordinates athletic, social and cultural activities. Our students have participated in various inter-polytechnic sports & literary events and have won rewards and medals. Separate sports wing encourages the students to bring out their talent by participating in the State and National level sports events.

HIGHER EDUCATION OPPORTUNITIES

PROGRAM	HIGHER EDUCATION OPPORTUNITIES
Diploma in Civil Engineering/ Electronic and Communication Engineering	Lateral Entry to 2 nd year B.E through DCET
Diploma in Computer Science & Engineering	Lateral Entry to 2 nd year B.E through DCET / Lateral Entry to 2 nd year BCA directly
Diploma in Commercial Practice	Lateral Entry to 2 nd year B.Com directly

INTERNSHIP

Curriculum is designed in such a way that final year students have to compulsorily undergo internship programs in companies. The students get exposure to the industry environment and also get opportunity to get a job offer easily based on their performance.

MOU WITH INDUSTRIES

The memorandum of understanding with companies creates opportunity to emerge as one of the competent entities in the academic circles in imparting industry oriented academic training in the respective areas of the program.

PLACEMENT

The placement cell of the institution facilitates students in seeking placements in leading industries. Over 5 companies regularly visit the institution for campus recruitment. A large number of our students receive placement offers well in advance, as early as in fifth semester itself. Some of the leading industries who visit our institution are Centum Electronics, Early Bird Solutions, ITSAD, ACT etc. A good number of students are pursuing for higher studies in reputed engineering colleges. Parallel efforts are also made for getting our students placed through 'off the campus interviews. Our students have better opportunities to get a job in the final year.

INFRASTRUCTURE & HUMAN RESOURCES

- 1 Large campus with smart classrooms, seminar hall and innovation lab.
- 2 Well-equipped laboratories.
- 3 Online classes and special support for physically challenged students.
- 4 Library with reading room and borrowing facility with digital library access.
- 5 Full-fledged well qualified and experienced faculty members.
- 6 Hostel Facility within the campus makes easy access to library and labs.
- 7 Support co-circular activities and sports.
